Recommended retail prices plus VAT. The prices of your dental dealer apply. Your dental dealer will deliver and invoice the goods; please provide the supplier's name and address.

All prices on this exclude statutory VAT. Offers only apply for customers whose place of business is in Germany, Switzerland, Austria, France, Spain, Portugal, Belgium, Netherlands, Luxembourg, Norway, Sweden, Denmark, Ireland and Great Britain. Other countries on request. Please note that delivery of the goods depends on the availability in the respective recipient country. The offers are only valid while stocks last. Depending on availability, some articles can be delivered by trade at the customer's request. Prices are based on the German recommended retail prices. Invoiced prices are those of the distribution partners. Errors and changes reserved.
